

September 2021

Dear Friends,

On Saturday, October 23, the [Manchester Choral Society](#) will host a Walk-A-Thon, *Trek N, Treat* at the [Londonderry Rail Trail](#). Gather your friends and family and join us for this fun fall event! A social gathering with light appetizers will follow at [Backyard Brewery](#) in Manchester, NH. We are asking you to support our membership with their fundraising goal.

MCS is back in person, and our organization and singers are excited to reconnect with our community. Proceeds from the event support MCS's community and educational outreach programs, including the scholarship program, the re-formation of our youth choir as the Queen City Youth Choir. Partnering with the Manchester Community Music School and 21st Century Outreach, we offer a free choral curriculum for elementary age students in Manchester and its surrounding communities.

Your continued support enables MCS to offer free concert admission for students in grades K through undergraduate and free performances at assisted living and senior centers, Caroling at the Currier, and Music in the Park.

It is truly a gift that we can do this transcendent work. People need community and connection more than ever. A big thank you for keeping our mission and vision alive.

Now in its 61st season, Manchester Choral Society is considered one of the finest auditioned community choral groups in New England. Directed by Dr. Dan Perkins, the choir performs choral works of a variety of different styles. We hope you will join the many individuals and businesses that support MCS, ensuring that Manchester Choral Society continues *Building Community through Music!*

Enclosed you will find a sponsorship form. The value of each donation is tax-deductible. If you have any questions, please call the office at (603) 472-6627 or email [info@mcsnh.org](mailto:info@mcsnh.org).

Thank you for your time and consideration,  
*Fall 2021 Fundraising Committee*
